

Worried about the cost of testing?

We're here to answer your questions about the cost of your comprehensive genomic profiling (CGP) test. You may qualify for a \$100 out-of-pocket maximum cost.

After applying for financial assistance, we will mail you important information about insurance coverage and possible costs.

For general testing information, visit
www.FoundationMedicine.com/patients

Apply anytime for financial assistance with Foundation Medicine. Qualified patients pay no more than \$100 out-of-pocket. Qualified Medicaid patients have no out-of-pocket costs associated with testing.
